- Re conditionation of his letter dated 4.11.1936 regarding the case of Kacha Ghat, Benares, and in a separate file from the Collector of Benares Cantonment.

1) It is reported that on account of floods in the River Ganges, the property in question is not yet taken possession of by Mr Askarfi Singh from the Benares Municipality, that the Zamindar is not inclined to sell the land to the Municipality for purposes of extending the local Ghat but that he would lease it out for Rs 5 per annum on condition that he would be paid Rs 600 in advance in a lump.

2 Submitted for perusal. Further relaxation permissible by the H.C. will be awaited if asked for.

The report submitted by the Munsiff Commissioner is ordered for perusal.

According to the plaint sent by the petitioners Messrs. Khasi Nath and Narayanan, through their Advocate, the area of the land alleged to have been encroached upon comes to 23.11 Sq. ft, but the H.C has reported that the actual area so encroached upon is about 272 Sq. ft only.

Regarding the general question of taking out on lease the Kutcha Ghat for necessities in the premises of the Alagar Chattiram at Berard the H.C states that it is necessary in the interest of the chattiram, to acquire the land about 3593 Sq. ft including 272 Sq ft referred to, above, and that the

If the land should be required as recommended (and this is the safest course as it would vest in Government an indefeasible title) and the consent of H.M.G. should be moved in the matter, legal consultation regarding the rights of the present possessors of the land seems unnecessary. It does not seem safe to acquire the property by private negotiation either from the lessor or the lessees. It is well known that a vendee cannot get better rights than his vendor has.

The lease deed (Flag N) which Messrs Kashi Nath and Rami Ram have taken from Mr Ashrafi Singh shows that the lessees are not entitled to construct temples, Dharamasalas mosques, tombs or any building for the purpose of offering prayers and the like nor and also not be entitled to dig pits. It is thus seen that the lessees have not got the full ownership of the property, and any purchase from them will not clothe the vendee with full rights of ownership. Para 4 of the lease deed (Flag N) also seems to further restrict the rights of alienation by the lessees.

In view of these circumstances and in order to get an indefeasible title to the land, it seems best that the U.P. Government is moved to acquire the land on behalf of the Mysore Govt.

Letter No e1146/31-32 dated 8.9.39 from the Mysore Comm furnishes his views in the matter:- The Government of the United Provinces are stated to be willing to acquire the land on behalf of His Highness' Govt., subject to the conditions viz (i) the land to be acquired should be solely utilised for the construction of a pucca ghat thereon;

(ii) the ghat so built should be thrown open to the public; and

(iii) the market value of the land, estimated at Rs 75'00 should be accepted.

All the above conditions are now accepted by the Mysore Comm in consultation with the Executive Engineer (Mr Lakshmi Narasimhaiya) who visited the place. The M.C has stated that as the cost of the building proposed to be erected exceeds Rs 75,000/- a stipulation for its construction within a certain time is not desirable. In this connection it may be stated that no time limit is contemplated in the conditions laid down by the U.P. Govt and the question was particularly

41 Regarding the source of meeting the cost of the acquisition, the Minister points out that it may be met for the present from the closing balance of the maximum saving fund for 1939-40. This may be allowed by the Finance Department.

42 With regard to the question of the construction of the Secretariat building, the Minister has suggested that a sum of Rs 10,000 i.e. Rs 5000 from the Maximum Saving Fund and Rs 5000 from the Provincial Loan Account may be earmarked annually, if possible, from the funds to take up the work immediately. Financial considerations in regard to this matter are being examined in consultation with the Finance Department and a reply is awaited shortly.

43 A reply is also awaited from the Government of India, Defence Department to the communication addressed to them by the W.P. Received from the Honorary Super-
Vision of the Collector at Benares
in the matter of taking possession
of the land required for pucca Ghat
through private negotiations at
a cost of Rs 8000.

The point raised by the Honorary
person of the Collector at
Benares is that the land comprised
in the kutcha Ghat and required for
the purpose of construction of pucca
Ghat at Benares may be taken
possession of by private negoti-
ations at a cost of Rs 8000/-
to save time and trouble involved
in acquisition proceedings. The
Mayor Commissioner is of the opinion
that it is best to take possession
of the land through acquisition pro-
ceedings under the Land Acquisition
Act with a view to secure an
indefeasible title to the land. In
this connection it is to be noted

I agree

that the cost of acquisition of the land is estimated by the Govt of the United Provinces to be about Rs 7500 (8000 by private negotiations) and this Govt have committed themselves by making a request to the U.P. Govt to proceed with the land acquisition proceedings financially and legally whether the course about adopted by this Govt to have the land acquired under the L.A. Act may not be followed is a matter for consideration. It is preferable and the best one in the circumstances of the case, and the suggestion of the Honorable Superintendent may not be commendable.

The purchase by private negotiation is no doubt desirable as the case will be less troublesome and we get possession also quickly & on the conditions which the U.P. 13 The cost of acquisition of the lands required for the purpose of the chattram at Benares was originally estimated at Rs 7564, and the Govt of the United Provinces was requested to acquire the lands on behalf of this Govt subject to certain conditions. It is now reported by the Govt the United provinces that claims have actually been filed for compensation at between Rs 10,000 and Rs 15000/- for State lands, and that there will be a further expenditure of about Rs 700/ on the land acquisition proceedings. It is further stated that

it is possible to negotiate with the owners who are willing to sell the land for Rs 8000/- only. The M.P. Govt now desires to know if the Mysore Govt will agree to purchase the land by private sale for Rs 8000/-. The lands may perhaps be acquired by private sale provided the Vendor's title to the property is legally sound. The M.P. Govt may be requested to kindly ascertain about the soundness of this title and intimate the result for the information of the Govt. of ₹ 7544/ claims have actually been
filed for compensation at between ₹ 10,000/ & ₹15,000/-
& it is also seen in that letter of Supdt. & on
which rests a speculation rate by owners who are
willing to sell the said land for ₹ 5000/. I cannot
reconcile these statements in the said letter
& the owners of land are willing to part with the
land for ₹ 5000/ — there are the persons who
have put in claims for the very land for ₹10,000/
& ₹15,000/? Allowing a person who is actually
interested in the land, can file a claim, deny
against the proceedings. It therefore follows that the
persons who have put in their claims for ₹10,000/ & ₹15,000/
may have no interest in the land in question. Even
in L. Acq' Act those claims will be enquired into &
decided, whereas in a private sale, we will
not deal with all persons who have an interest in
the land.

8] I am therefore of opinion that to
set at rest all future ~~litigation~~ & trouble, the
land in question may be acquired under the Land Acq' Act. It is risky to enter into
a private sale, when for facts stated above, there are
many claimants there are to the land in question.

Hans Searle) 3
29/6/42

Seriál No.

As there are a number of claimants I am not in favour of sale by private negotiation. This may land us in litigation

I presume that the Collector has already started the acquisition proceedings. If so, the Mysore Govt can make a statement that they are willing to deposit Rs 8,000/- and by consent of all the claimants an award may at once be passed leaving the rights of the rival claimants to be decided either by themselves or in a court of law. By this procedure, the acquisition proceedings come to an end, so far as the Mysore Govt is concerned. The Collector can put the Mysore Govt in possession of the property on their deposting the compensation amount.

If the proceedings are not yet started, the Collector may be requested to start the same. If the claimants are amenable to sell the property for Rs 8000/- they may consent for an award being passed immediately. They may have their rights settled in these proceedings or separately.

Anyhow, it is safer to get

GENERAL SECRETARY. 14 JUNE 1938

SIR,

Taking the lease of Katcha Ghat for inclusion in the grounds of the Mysore Government Chattram at Benares.

In continuation of this office letter No.C.1144/31-32 dated 31-3-38 re. the above, I have the honor to state that the Government Agent of the Mysore Chattram at Benares, in his report No.60/37-38 dated 25-4-1938 states that Mr. Babu Asharfi Singh, owner of the land (Katcha Ghat), has leased it out permanently through a Registered Deed, on 5-11-1928 to Messrs. Kashinath and Moniram, on an annual rental of Rs.20 with the right to sell or mortgage, and that the lessees of the land are not prepared to transfer the whole plot to the Mysore State, but that they are prepared to lease out a portion of the land situated between the Mysore Chattram Building and the river Ganges.

Further, it is reported that the lessees of the land demand a sum of Rs.10,000 for the land.

At the recent visit of Rai Bahadur Pandit Madhoram Sand of Benares, to Bangalore, he was consulted about the matter. He is of opinion that it is necessary in the interest of the Chattram, to acquire the Katcha Ghat under the Land Acquisition Act and that the U.P. Government may be approached in the matter.

As it is necessary to have a clear sketch of the locality before a recommendation is sent up to Government, I have asked the Agent of the Chattram to obtain and submit the same early.

On its receipt, I shall submit final proposals for the acquisition of the land.

I have the honor to be,

Mysore State,
MYSORE.

Sir,

There is a State house abutting on Harishchandra Road in Benares City. This was reconstructed a few years ago. While constructing the house, portions of the plot of land bearing Settlement No. 1339 have been encroached upon by the State. This plot has been settled by the owner on permanent lease with my clients Kashi Nath Teli and Mani Ram Teli by a permanent lease dated 23rd May 1929. My clients are willing to effect a settlement with the State if the State makes a reasonable offer by way of compensation for the land encroached upon by the State. The encroached portion is shown in pink colour in the attached map.

I am, therefore, instructed to enquire of you if the State is willing to settle the matter amicably? If so, what amount the State will offer for the land encroached upon.

An early reply is solicited.

Yours faithfully,

GENERAL SECRETARY
21 OCT. 1938

Acquisition of certain portion of land out of Katcha Ghat for inclusion in the grounds of the Mysore Government Chattram at Benares.

In continuation of this office letter No.C.1144/31-32 dated 17th June 1938 re. the above and with reference to your letter No.459/Muz. 88-38-2 dated 21-9-1938 calling for a report regarding the land alleged to have been encroached upon by Mysore Government while constructing the new building at Benares, I have the honor to forward herewith a copy of report No.60/37-38 dated 25-4-1938 together with its enclosures received from the Government Agent of the Mysore Chattram at Benares, and to state as follows.

The land that is proposed to be acquired for inclusion in the grounds of the Mysore Chattram is out of plot No.1330 which had been taken on lease from the Benares Municipality by a Registered Lease Deed on an annual rental of Rs 50, for a period of 30 years from 1-4-1930, for the construction and maintenance of a Pucca Ghat. The portion alleged to have been encroached upon lies within the land that is proposed to be acquired.

It is reported that during the construction of the new chattram building, a portion of the plot (No.1539) measuring 272 sq.ft., as shown in the sketch (enclosed) has also been utilised for the construction of the retaining wall and for making the building rectangular.

One Babu Asharfi Singh contested that he was the owner of the plot and that the Benares Municipality had no sort of right over it. It has been finally decided by the Allahabad High Court that Babu Asharfi Singh is the lawful owner of the plot.

During the year 1932, Babu Asharfi Singh issued through his Counsel, a Notice to Government that he was the rightful owner of the plot, that the Benares Municipality had no sort of right over the same and that he would consider the question of leasing the plot to the Mysore State, if proper rent was offered. But, as the title to the plot was still pending before the Allahabad High Court, a reply was sent to Babu Asharfi Singh by Government (vide Financial Secretary's letter No.575/Muz. dated 10-10-1932), that the question would be considered after the disposal of the appeal pending before the Allahabad High Court. This was accepted by Babu Asharfi Singh.

Previous to this, in 1928, he had already leased out permanently, the entire plot to Messrs. Kashinath & Moniram for an annual rental of Rs 20 with the right to sell or mortgage or lease the land in question.

From the copy of the registered document sent by the Agent, it is seen that Babu Asharfi Singh has no right to sell or re-lease it; but, his interest in the land is only to the extent of realizing the annual rent of Rs 20 and in case it is sold, $\frac{1}{4}$ of the ~~share~~ sale amount and $\frac{1}{4}$ of the price of amla. Besides, the lessees are not entitled to construct temples, dharmasalas, mosque etc., and they can only transfer their right of Parjanti by way of sale of usufructuary mortgage.

It is reported that the land is useful only for the purpose of constructing the steps in a level with the newly-constructed steps and that it will be water-logged for four months in the year and that it also contains stone images of persons who committed Jati in olden days.

Rai Bahadur Pandit Radhoram Dand of Benares, who was consulted in the matter, is of opinion that it is necessary in the interest of the chattram, to acquire the land and that the U. P. Government may be moved in the matter.

Mr. V. Lakshminarasimhaiya, Executive Engineer, who was deputed to check the measurements of the improvement works executed to the Chattram building, states in his letter No. 046 dated 24-8-1938 (extract of which is herewith sent), that the land may be acquired on behalf of the Mysore

Government, for the reasons that the bank at the spot is eroding every year, endangering the neighbouring buildings and that the ghat that may be put up by the Mysore Government will be available for the use of the general public.

The area of the land proposed to be acquired is 3593 sq.ft., as shown in the sketch, which includes 272 sq.ft., used in the year 1927 for the construction of the retaining wall and for making the new chattram building rectangular in the north-eastern portion.

The Agent reports that the cost of the land proposed to be acquired can, under no circumstances, exceed the sum of Rs 5,000 and that the owner is demanding Rs 10,000 for the land.

In order to avoid further legal complications, I beg to recommend that the U.P. Government may be moved to acquire the land on behalf of the Mysore Government, for reasons suggested by the Executive Engineer, viz., (1) the bank of the river at the spot is eroding every year and endangering the neighbouring buildings, and (2) the ghat which the Mysore Government may eventually put up will be available for the use of the general public.

4 A sum of Rs 20 has been incurred to obtain the sketch showing the ground plan of the Chattram building, the area of the land that is proposed to be acquired and also for obtaining copies of the lease deed of the Katcha Ghat.

5 I request that sanction may be accorded to meet the sum of Rs 20 from the closing balance of the Chattram Savings Fund for the current year, as there is no reserve in the sanctioned scale of the chattram and as there is hardly any savings in the chattram expenses during 1937-38, to cover the above expenditure.

6 As regards the encroachments of the land, it is seen from the sketch received from the lessees that there is encroachment in the southern side; but, actually there is no such encroachment on that side as can be seen from the plan received from the Executive Engineer. Besides, the area of the land alleged to have been encroached upon comes to 823'11 sq.ft., according to the plan received from them, but the actual area of the land encroached upon is about 272 sq.ft., only.

Mr. N. Lakshminarasimhaiya, Executive Engineer, to whom tne received with the Notice, was shown, states that the area actually croached upon is shown as 'A' 'B' 'C' 'D' 'E' in the plan sent by him and that there is no encroachment on the southern side, as that is the river-bed.

Regarding the claim for compensation put forward by the Advocate of the lessees, it may be stated that the right of permanent lessees who now offer the land for sale, is subjected to the condition that they will not be entitled to construct on the land, temples, dharmasalas, etc., and that they can only transfer their right of Parjanti by way of sale of usufructuary mortgage. In view of the above condition incorporated in the lease deed, I beg to submit that the opinion of the Law Department may kindly be obtained as to whether the lessees are competent to dispose of the land for the purpose of the chattram.

I have the honor to be,

Sir,

Your most obedient servant,

Tr Chamtaram

Muzrai Commissioner.

No. 60/37-38

Letter ~~No.xxxxx~~ dated the 25th April 1938, from the Agent, Mysore Maharaja's Dharmasattra, Hanumanghat, Benares City to the Muzrai Commissioner in Mysore, Bangalore City.

With reference to your No.C.1144/31-32 dated the ~~25th~~ 24th March 1938, I beg to submit that on the 3rd November 1928 Babu Asharfi Singh executed a deed of permanent lease in favour of Messrs Kashinath and Moniram in respect of the land bearing the Survey No.1339 adjoining the Dharmasattram on annual rent of Rs.20/- with the right to sell, mortgage, The measurement of the land given in the document is 34 decimals. This very land was leased out to our State by the Municipal Board, Benares on the 12th March 1931, on an annual rent of Rs.50/-. In a civil suit instituted by Babu Asharfi Singh and his lessees as plaintiffs against the Benares Municipal Board, the Municipality lost its claim to the said land and it was declared that Babu Asharfi Singh was the owner thereof. The judgement of the Sub-Judge Benares and also of the Appellate Court (High Court of Allahabad) were already sent to yo As desired by you I approached Babu Asharfi Singh on the question of leasing out the land to us but I found him evading and not giving a prop reply. On enquiry I learnt that his interest in the land is only to th extent of realising the annual rent and legally he cannot deal with the said land.

I therefore approached the lessees Messrs. Kashi Nath and Moniram They are not prepared to transfer to the State the whole plot. They are prepared to lease out the land situated between the Mysore Choultry building and the Ganges measuring 27 feet North to South adjoining the Ganges river, 110 feet East to West and 39 feet at the top North to Sout adjoining the Choultry building, total area 3,300 sq. feet. The price they demand is Rs.10,000/- and is very costly. The land is useful for the purpose of constructing the steps thereof in a level with the newly constructed steps and for no other purpose. On this plot of there are three temple of the images of "Sahagaman --Sati" and the drain from a neighbouring house belonging to Mr. J.G.Vishwanath Sharma passes through it.

The lessees also told me that the State has encroached upon t land that they contemplate taking legal action . This is in respect of the land which we took from the Municipal Board, Benares in 193[illegible]

for theonstruction of the retaining wall and to make the building rectangular on the northern side of our present building. In order to enable you to know their right, I am herewith sending the certified copy of the aforesaid lease executed by Babu Asharfi Singh on the 3rd November 1928 together with its English translation.

If however it is desired to take that land, I am advised that if your Government approaches the U.P. Government to acquire the land under the Land Acquisition Act for the purpose of the Choultry, a charitable institution and for the purpose of construction the that, we would then be getting the land cheaper and without any defects in the title. You may alsowrite to Rai Bahadur Madhoram Moniram Sand of Gaya that as he will be a great help to us in the acquisition proceedings.

May I also request you to instruct the Engineer to look into this at the time he comes here to check the final bill of the present construction;

Hope that this will give all the information sought.

Letter dated 29th July 1938 from the Agent, Mysore State Chattram, Hanumanghat, Benares City, to the Muzrai Commissioner, Bangalore City.

With reference to your memo No.C.1144/31-32 dated the 13th June 1938, I enclose herewith the sketch of the locality, showing the ground plan and the area of the land to be acquired drawn to scale.

In my last report, I mentioned that the owner is demanding Rs.10,000/ for the protion intended to be acquired and that price is not for the whole plot of land belonging to the Zamindar. In my opinion the price demanded is very excessive and can under no circumstances exceed the sum of Rs.5,000/ for the plot we require.

The bill of cost for the sketch of the locality will be sent along with the accounts of the Chattram, and this has amounted to Rs.13/- (Rupees thirteen only).

Letter dated 16th August 1938 from the Agent, Mysore Government Chaultram, Hanumanghat, Benares City, to the Muzrai Commissioner in Mysore, Bangalore.

With reference to your No.1141/31-32 dated the 9th August 1938, I enclose herewith the plan after duly incorporating the information sought.

The land intended to be acquired is situated in Mohalla Ouch Shari, Mouza Bhadaini, Dihat Amanat, Ward Bhelupura, Police Station, Bhelupur

In this city, the Municpal tax is assessed on the rental value of the buildings and the lands on which there is no building is not assessed. Hence the land that is intended to be acquired is not liable to the payment of any municipal tax.

IV. A sketch of the Katcha Ghat is also drawn to scale and shown in the same plan. The Government of Mysore leased out this land from the Benares Municipality in the year 1927 at an annual rent of Rs.50/-. No money seems to have been paid. A civil suit was instituted by a private party against the Municipal Council regarding the ownership of this land, and the Allahabad High Court have decided that the land belongs to the private party and not to the Municipal Council. So the lease deed is not valid. From what, I understand at Benares the party is not likely to come to any terms privately. I am of opinion that it is necessary to address the U.P. Government and get this land acquired on behalf of the Mysore Government for the reasons that the bank at the spot is eroding every year endangering the neighbouring buildings and secondly that the Ghat which Mysore Government may eventually putup will

be

be available for the use of the general public.

Regarding para 7 of your letter the same drawing shows the area of land that was taken by the Municipal Council on the Northern Side of the block. This ~~xx~~ for reasons set forth above does not belong to t Municipality but belongs to the same private party. We are in position of t is land from May 1927 and I think the acquisition proceedings referr to in the previous para, may be instituted after the expiry of the period of 12 years, to avoid legal complications.

ACQUISITION OF CERTAIN PORTION OF LAND OUT OF KATCHA GHAT FOR INCLUSION IN THE GROUNDS OF THE MYSORE GOVERNMENT CHATTRAM AT BENARES

Sir,

I am directed to state that with a view to construct and maintain a pucca ghat over the ~~Katcha~~ ghat near the Masanghat adjoining the Mysore Government Chattram No. B4/11, Hanumanghat at Benares, the Benares Municipality was moved during 1927 to lease ~~the~~ a plot of land measuring bout 10,346 square-feet situated at Oudh Sharayi Ward, Bhelupur District, adjoining the said chattram premise for thirty years from the 1st April 1930 at an annual rent of Rs. 50/- with permission to build the ghat and steps leading to the Ganges River, ~~and accordingly~~ the Municipal Board leased the land to the Chattram and necessary lease deed was got executed and registered in March 1931. Subsequently one Babu Asharfi Singh filed a Civil Suit (No. 42 of 1931) against the Municipality in the Court of the Additional Subordinate Judge at Benares for a declaration that this ~~portions~~ land belonged to him and it is now under ~~share.~~ that the case has been finally decided in his ~~person~~ favour by the Allahabad High Court ~~on the 3rd March 1936.~~ Babu Asharfi Singh has ~~applied~~ offered to lease the land to Mysore Government provided a fair rent is paid.

but enquiry had disclosed that the aforesaid Asharafi Singh has already leased out the land permanently to Messrs. Kasinath and Maniram for an annual rent of Rs. 20/- with the right to sell or mortgage or lease the land in question, ~~although he would himself become to him~~ although the lessor would himself accrue to him no right to sell or mortgage or lease it, his interests in the land being limited ~~only~~ to ~~raising~~ realising the annual rent of Rs. 20/-. Further no temples or Dharmasalas could be constructed on the land even if a lease is taken. It is reported that the land is useful only for the purpose of constructing the steps in a level with the newly constructed steps and that it will be water-logged for four months in the year and that it also contains immages of persons who committed sati in olden days. Besides, the bank of the river Ganges on the spot is eroding every year and endangering the neighbouring buildings ~~and~~ The Ghat ~~xxxx~~ which this Government may eventually put up will be available for the use of the general public. As the Government of His Highness the Maharaja are desirous of ensuring an indefeasible title to the land in the interests of the chattram, ~~and~~ they consider that it would be best to have it land acquired for them under the Land Acquisition Act.

Sir,

I am directed to state that with a view to construct and maintain a pucca ghat over the Katcha Ghat near the Nasanghat adjoining the Mysore Government Chattram No.B4/11, Hanumanghat at Benares, the Benares Municipality was moved during 1927 to lease a plot of land measuring about 10,346 square feet situated at Oudh Sharayi Ward, Bhelupura District, adjoining the said chattram premises for thirty years from the 1st April 1930 at an annual rent of Rs. 50/- with permission to build the ghat and steps leading to the Ganges River. The Municipal Board leased the land to the Chattram and the necessary lease deed was got executed and registered in March 1931. Subsequently one Babu Asharfi Singh filed a Civil Suit (No.42 of 1934) against the Municipality in the Court of the Additional Subordinate Judge at Benares for a declaration that this land belonged to him and it is now understood that the case has been finally decided in his favour by the Allahabad High Court. Babu Asharfi Singh has offered to lease the land to Mysore Government provided a fair rent is paid, but enquiry had disclosed that the aforesaid Asharafi Singh has already leased out the land permanently to Messrs. SIR.

Re. Construction of a pucca ghat at Benares.

With reference to correspondence ending with your letter No. 1660/Muz.88-38-10 dated 5-2-1940 stating, with reference to the above, that pending acquisition of a portion of the land of Patcha Ghat, estimates may be got prepared through Rajasevasakta Radhoram Manuram Sahu, from now for the construction of a pucca ghat, I have the honor to forward herewith, for information, a copy of letter dated 19-4-40 received from the Honorary Supervisor, in the matter. He has suggested that, as a first step in this direction, boring has to be done by experts from Cawnpore, at an estimated cost of Rs. 1,500 and adds that this is just the season to do it.

In the circumstances stated in his letter, I request that sanction of Government may be obtained for undertaking this work, the estimated cost thereof being ordered to be met for the present out of the closing balance of the Chettram Savings Fund during the current year.

The Honorary Supervisor has been requested to send up a detailed estimate for the amount of Rs. 1,500 together with estimates for the entire construction and the same will be forwarded to Government after receipt.

As regards the acquisition of the land referred to in para the letter from the Honorary Supervisor, no action appears to h

necessary on his part as the Government of the United have already undertaken to acquire the land for our Gover (vide letter R.Dis.No.T.824-38/Pol. dated 1-8-1939 from the Secr to the Honible the Resident in Mysore, to the General Secretary to Government).

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter dated 19-4-40 from Rajasevasakta Rai Bahadur Radha ram Mukim (Pundit) Gaighat, Benares, to the Muzrai Commissioner in Mysore.

With reference to your letter No.C/1144/31-32 regarding the construction of a pucca ghat for the Mysore Govt. Chattram, I have to inform you that the level of Ganges has gone down very low and this is the season to carry on this work. First of all boring has to be done by experts from Cawnpore and I think for this Rs500 will be required. This is the season to do this and as a matter of fact, Tulshi Ghat and also other ghats are being bored now. As soon as I receive your sanction, I shall commence the boring operations. Without this, further construction of the building above cannot be carried out.

Regarding the acquisition of portion of land of katcha ghat, I shall, on your permission, have a deed of Trust prepared here and apply to the Government for the acquisition of land under Land Acquisition Act. This will save us from immense trouble.

SIR.

Re. Acquisition of portion of land of Katena Chat for the site of the Choultry at Belur.

With reference to the last para of this office letter of even No. dated 25-4-1940 on the above subject, I have the honour to forward herewith for the kind information of the Government, copies of the letter dated 1st May 1940 and that of 12th May 1940, received from the Assistant Commissioner Rao Bahadur Pandit Nagoram Ramdeo Joshi, suggesting, inter alia, that the land required for the purposes of the Choultry may be taken possession of through Civil Court proceedings under Section 9 of the Land Acquisition Act. He states that, in recourse to the above procedure, the Government will take, very nearly, a year, in the course of which the Choultry may cost more than the estimated amount of Rs. 5,000 before it is taken possession of by the Government.

[illegible] be, in this connection, that, as per the [illegible] vide G.O. No. 17S-Rev/37-21-1 dated 23-6-1938, the land required for public purposes is to be [illegible] thereof, by private contract, [illegible] Land Acquisition Rules [illegible], the matter is to be referred to the Government for orders. In the present case, the Choultry is to be constructed by the Public Works Department and the land is required for the purpose of the Choultry. It is, therefore, [illegible] the Government may be pleased to [illegible] the Public Works Department to take possession of the land [illegible] the Land Acquisition Act.

respect of this land in future, the better course would be to take acquisition proceedings which the U.P. Government have already promised to take (vide letter No.R.Dis.No.F.824-38/Pol. dated 1-8-1939 from the Secretary to Hon'ble the Resident in Mysore, to the General Secretary to Government).

I submit the matter for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

dated 31st May 40 from Rajasevasakta Rai Bahadur Pdt. Radhoram
d, Zamindar & Banker, Benares, to the Muzrai Commissioner in Mysore.

Re. Construction of a pucca Ghat at Benares.

I am in receipt of your letter No.C.1144 dated the 25th April and thank you for the same. The Land Acquisition Officer of this place is Mr. Durga Prasad, Deputy Collector and he is a friend of mine. He and naib tahsildar had visited the site. Through private negotiations, we have been able to arrive at an agreement with the owner and the leaseholder of the land in question. We have settled the price at Rs 8000 (Eight thousand) only. The owner and the leaseholder of the land have agreed to this amount and if you obtain the necessary sanction, I shall have the deed effected as early as possible. I think this will be better and should we proceed officially to acquire the land through the operation of the Land Acquisition Act, it will take nearly a year and the further progress of construction may be considerably delayed. I hope you will give this matter your earnest attention and write to me immediately about the sanction. I think this is a good bargain as it saves us a lot of time and expense. The land is acquired under the Land Acquisition Act and the price is fixed by the Land Acquisition Officer with the consent of the parties.

Regarding the estimate for Ghat and boring operations, I am having a detailed estimate prepared and I shall send it to you as it is ready.

Letter dated 8th May 40 from Rajasevasakta Rai Bahadur Pdt. Radhoram Maniram Sahd, Zamindar & Banker, Benares, to the Muzrai Commissioner in Mysore.

Re. the construction of a pucca Ghat at Benares.

I had a talk in regard to the above matter with the Personal Assistant to the Collector of Benares. I wrote to you in my first letter that the price agreed was Rs 8000, whilst the Government valuation of the land was only Rs 7500 But in this connection, I have to point out to you that if the land is acquired under the Land Acquisition Act, the Government will charge ten per cent. for the acquisition and we shall have to pay Rs 750 exclusive of Rs 7500. Not only this, we shall have to wait for more than a year to complete the negotiations. By agreeing to pay Rs 500 over and above the Government valuation, we save Rs 750 and also a year's time. Thus you will see that we save money by private negotiation and we also save time, which is important in matter of this nature. I may also point out that the acquisition is just as good as acquisition through the Government agency under Land Acquisition Act. Whilst the effect is the same

one thing is completed under private negotiations through the the Collector which is beneficial to us. I therefore request you give this matter your prompt attention and send me the necessary sanction. After obtaining the sanction, you may also send me the cheque for Rs 8000 plus the cost of registration etc., so that the negotiations may be brought to a success. You may also send the cheque direct to the Collector.

I have made enquiries regarding the boring operations, and I understand that it will be started this year. Moreover the construction on the upper portion of the land cannot be started without this. After this, I will be able to send you a detailed estimate as required by you.

I have not heard so far anything about the purchase of the house for the accommodation of pilgrims coming from Mysore. I hope you are giving this matter your best attention.

Acquisition of land for the Mysore Government Chattram at Benares.

With reference to the correspondence resting with Major Hancock's letter No.F.1-I.A./39, dated October 31, 1939, I am directed to say that instructions were issued to the district authorities for taking action under the Land Acquisition Act to acquire the land in question. The Collector now reports that while compensation payable was originally estimated at Rs.7,544/- claims have actually been filed for compensation at between Rs.10,000 and Rs.15,000. There will, also be a further expenditure of over Rs.700/-on the land acquisition proceedings. It has, however, been found possible to negotiate with the owners who are willing to sell the land for Rs.8000/- only. The Collector and the Commissioner recommend that the matter may be amicably settled. I am to request that, with the permission of His Excellency the Crown Representative, the Mysore Government may be asked whether they will agree to purchase the land by private sale for Rs. 8,000/-.

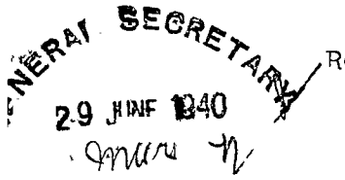
SIR,



Re. Accuisition of certain portion of land out of Katcha Ghat, for inclusion in the grounds of the Mysore State Chattram at Benares.

I have the honor to invite kind reference to this Office letter of even No. dated 20-10-1938 re. the above, and to state that in paras 14 and 15, therein, mention was made of the Agent of the Chattram having incurred an expenditure of Rs 20 to obtain the sketch showing the ground plan of the Chattram building, the area of the land proposed to be acquired together with copies of the lease deed of the Katcha Ghat; and a recommendation was made to Government for according sanction to meet this amount from the closing balance of the Chattram Savings Fund, during the year 1938-39.

The Agent has been repeatedly urging for the payment of this amount. As the expenditure has been actually incurred by the Agent and as the settlement of the larger question of accuisition of land may take some time more, I request that sanction of Government may be kindly obtained to the payment of Rs 20 to the Agent of the Chattram, the cost being met out of the closing balance of the Chattram Savings Fund during the current year.

Boring Operations in connection with the Construction of a Pucca Ghat at Benares. 1969

With reference to G.O.No.2307-8/Muz.88-38-13 dated the 6th May 1940 sanctioning the undertaking of the above work at an estimated cost of Rs 1500, the cost thereof being met for the present, out of the [illegible] balance of the Chattram Savings Fund during the current year, I have the honor to state that the Comptroller to Government, who was requested to place the sanctioned amount at the disposal of the Honorary Supervisor, Mysore State Chattram, Benares, has stated in his memo No.T.236/B.II dated 7-6-1940 (copy enclosed) that the bill is passed provisionally, subject to obtaining formal sanction of Government for treating this as an advance and production of detailed work bills etc.

As the amount in question was actually required by the Honorary Supervisor, to commence the boring operations at the present season which was considered to be favourable for this work, I request that sanction of Government may kindly be obtained for treating the pres sanctioned amount, viz., Rs 1500, as advance, as desired by the Comptroller.

Detailed work bills for the work will be obtained from the H Supervisor, under whose supervision the work will be executed, an forwarded to the Comptroller for audit.

SIR,

Boring Operations in connection with the construction of a pucca Ghat at Benares.

In continuation of this office letter of even No. dated 4-7-1940 re. the above, I have the honor to forward herewith, for the information of Government, copies of letters dated 6-7-1940 and 11-7-1940, received from Rajasevasakta Rai Bahadur, Pandit Madhoram Maniram Sand, Hon. Supervisor of the Mysore State Chattram at Benares, stating that the boring operations which were commenced have been held up, owing to the sudden advent of floods in the Ganges, and reporting that the detailed estimates for the works would, therefore, be sent after the subsiding of the floods and the completion of the above works.

I have the honor to be,

Sir,

Your most obedient servant,

Abdul Wajid.

Muzrai Commissioner.

Letter dated 6-7-40 from Pdt. Madhoram Maniram Sand, Hon. Supervisor, Mysore State Chattram, Benares, to the Muzrai Commissioner in Mysore.

I have to inform you that boring operations was commenced for the construction of a pucca Ghat for the Mysore State Chattram. But owing to the advent of floods in the Ganges yesterday, the work has come to a standstill. However the work will be continued when the floods subside.

Letter dated 11-7-40 from Pdt. Madhoram Maniram Sand, Hon. Supervisor, Mysore State Chattram, Benares, to the Muzrai Commissioner in Mysore.

With reference to your letter No.C.1144/31-32 dated the 3rd July, I have already intimated you of the fact that owing to the sudden advent of floods in the Ganges, the boring operations have been held up. Since the last two days, the level of water has gone up by 14 ft. from the spot where the boring operations have to take place. In cobsequence of this, I have to inform you that the detailed estimates will be sent to you as soon as the floods subside and the work is completed.

The task of preparing the detailed estimates have been allotted to three or four contractors in order to ascertain the minimum cost required to construct the Ghat.

GENERAL SECRETARY
24 OCT. 1940

SIR,

Repairs to the Foundations etc., of the Mysore State Chattram at Benares, due to high floods in the Ganges, this year.

In continuation of this Office letter of even No. dated 19-9-'40, regarding the above, I have the honor to forward herewith a copy of a further report No.C.226/40-41 dated 17-9-1940 together with its enclosures (to be kindly returned when done with) received from the Agent of the Chattram; and to state that it is seen therefrom that, as the foundation concrete in the northern and eastern corners of the building is exposed, an estimate for Rs 699-3-0 has been prepared by Mr. R. N. Ray, Engineer and Contractor, Benares, for affording necessary protection to the foundations.

As the land on which the foundation rests belongs to the Zamindar the Agent suggests that the proposed works may be undertaken only if this land has been purchased, as, otherwise, obstructions might be caused by the Zamindar, during the execution of the works.

Mr. N. Lakshminarasimhaiya, Executive Engineer, Bangalore Division, Bangalore, who has seen the spot, was consulted in the matter, and he has opined in his D.O. letter No.68 dated 7-10-1940 (copy enclosed) that, the acquisition proceedings of the Katwha Ghat may kindly be hastened and the work put on hand with the concurrence of the Land Acquisition Officer of the Government of the United Provinces of Agra and Oudh.

He has also scrutinised the estimate and has stated that proposal fpr R.C. foundation dam provided in the estimate, is so and will strengthen the exposed foundation.

In the circumstances, I request that sanction of Government may kindly be obtained to the above estimate for Rs 699-3-0 as also to ~~the~~ other estimates amounting to Rs 232-3-0, as noted in the margin, scruti

the costs being met out of the closing balance of the Chattram Savings Funds in the budget of the current year. On receipt of sanction, the works will be executed by calling for tenders.

As suggested by the Executive Engineer, I also request that a reference may kindly be made to the Government of the United Provinces of Agra and Oudh, for hastening the acquisition proceedings of the Katcha Ghat and putting the work on hand with the concurrence of the Land Acquisition Officer of their Province (vide also your letter No. 218/Muz.88-38 dated 24-7-1940).

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Sir

Acquisition of a portion of the land of Katcha Chat for inclusion in the grounds of the Mysore State Chattram, Benares.

With reference to your letter No.1991/Muz.88-38-33 dated 28-1-41 re. the above, I have the honor to forward herewith, for the information of Government, a copy of report No.243/40-41 dated 10-2-1941 received from the Government Agent of the Chattram, stating that the acquisition of the land of the Katcha Chat was given effect to on 7-2-1941, and that the Sheikdar of the place representing the U.P. Government, gave possession of the land to him on behalf of the Mysore Government.

The Agent has also suggested for the early preparation of the estimate for the further works to be executed, viz., the construction of the pucca Chat.

As the estimate for this work called for from the Honorary Supervisor, in this office letter of even No. dated 7-2-1941 and subsequent reminders, has not yet been received. [illegible] may [illegible] to expedite the furnishing [illegible] report [illegible] the [illegible].

[illegible]

Report No.243 dated 10-2-41 submitted to the Huzrai Commissioner in Mysore, by the Government Agent, Mysore State Chattram, Benares.

I beg to report that the acquisition of the Katcha Ghat land has been given effect to on 7-2-41 by the U.P. Government to the Mysore ~~Covert~~ Govt., representing the ~~xx~~ G. Agent, Mysore Chattram at Benares.

The Sheikdar of the place representing the U.P. Government had been to the spot and gave ~~possession~~ position of the land in question on 7-2-41 and took my signature to that effect.

Further I beg to request that the estimate for the future work may kindly be ordered and to start the work as early as possible, as the foundation of the main building is in dangerous state, as I have already requested in my previous reports.
